

PROPOSAL WRITING WORKSHOP FOR THE 2023 ERC CALLS

DATE AND TIME: 8 JULY 2022, 09:00 A.M.- 13:00 P.M. (CYPRUS TIME, CET+1)

OBJECTIVE: To help potential applicants prepare proposals for the forthcoming 2023 Calls for Proposals of the European Research Council (ERC) Grants (Starting, Consolidator, Advanced, Synergy), which are part of HORIZON EUROPE, the EU's Framework Programme for Research and Innovation, 2021-2027. The interactive workshop, follows a more general [info-day on 2023 ERC Calls](#) (27/6) and aims to further support researchers by providing more practical advice on proposal writing. It will cover the proposal submission and evaluation procedure, advice on the content of different parts of the proposal, the evaluation criteria, common reasons for rejection, common issues of concern and more.

TARGET AUDIENCE: Researchers interested to submit proposals under the 2023 ERC Calls. Participants must already have basic knowledge on ERC Calls, having participated in the aforementioned info-day or similar events or/and by having studied relevant official documents. Otherwise, interested researchers are kindly asked to contact the ERC National Contact Point before registering (details below).
