## EUROPEAN INNOVATION COUNCIL WORK PROGRAMME 2022 – NOVELTIES AND IMPLEMENTATION

WEBINAR DATE AND TIME: **WEDNESDAY, 30/03/2022****17:00–18:15 PM (EEST – CYPRUS TIME)****16:00–17:15 PM (CET)**

### WEBINAR OBJECTIVE:

The objective of the event is to provide up-to-date information on the content of the **newly adopted European Innovation Council (EIC) Programme for 2022** under Horizon Europe. It will provide information on the **novelties** regarding Pathfinder, Transition and Accelerator programs for proposals to potential applicants. Also, this webinar will offer **valuable insights regarding a judge's perspective** regarding the evaluation process of the applications. In addition, the participants will have the opportunity to ask questions regarding the above topics

### TARGET AUDIENCE:

EIC aims at identifying and supporting breakthrough technologies and game-changing innovations with the potential to scale up internationally and become market leaders. It supports all stages of innovation from R&D on the scientific underpinnings of breakthrough technologies, to validation and demonstration of breakthrough technologies and innovations to meet real world needs, to the development and scaling up of start-ups and small and medium-sized enterprises (SMEs).

This webinar is addressed to all Research Organizations, SMEs, Enterprises and Innovators.
