Objectives

- ✓ Encouragement of Small and Medium Enterprises (SMEs) to **engage in research and innovation activities**,
- ✓ **Strengthening cooperation** between enterprises and knowledge intensive organizations,
- ✓ Supporting SMEs to **develop innovative solutions** in order to **address challenges or problems** they face,
- ✓ **Exploitation of academic research by the industry** through the provision of advisory research and innovation services,
- ✓ Creating the **appropriate frame for cooperation**, and **increasing private expenditure** in Academic and Research Organisations, and
- ✓ **Mitigating the challenge** many SMEs face, to exploit schemes supporting research and innovation.

▶ Basic Principles

- ✓ ***RIF offers to interested SMEs, «Innovation Vouchers» which are «redeemed» by organisations that will provide them with research and innovation services.***
- ✓ ***Simple proposal submission procedure, short timeframes for evaluation and announcement of results, as well as quick project implementation and direct problem solving.***
